

# EasyCareCloth.com

Our Easy Care Cloth Pet Mitt's unique weave (80% polyester, 20% polyamide) is designed to trap and hold dirt, dander, and pollen, **with just water**. However, if you choose to use our Dog Shampoo Bar, your pooch's fur will smell Sooooo Good! From this point forward bathing your dog will be quick, easy and stress-free for you and your very happy pet.

Our Dog Shampoo Bar is made with Avocado oil, Castor oil, Coconut oil, Olive oil, Palm Oils, Shea Butter and Goat Milk and Vitamin E, to make a rich, long lasting shampoo bar. It is moisturizing, pH balanced, natural and healthier for your dog's skin and coat. Our Shampoo bar out lasts the liquid pet shampoos found in stores.

## Bathing Options:

Option 1: (Just water) Wet your Easy Care Pet Mitt with water and wipe fur, paws and ears thoroughly. Rinse mitt and repeat if necessary.

Option 2: (With shampoo bar) Wet your Easy Care Pet Mitt with water and wipe fur, paws and ears. Rinse mitt and next apply a small amount of our dog shampoo bar to mitt and wipe your dog's fur in a petting motion. Rinse mitt and wipe fur to remove soap residue. (Done in minutes).

## Easy Care Pet Mitt Cleaning Instructions:

Machine wash (in mesh laundry bag with non-chlorine detergent) or hand wash with pure soap (Ivory or Dawn Original). Air dry or machine dry on low setting. Do not use with bleach or fabric softeners of any kind including dryer softening sheets.

ENJOY PETTING YOUR DOG CLEAN!
